PIANO FORTES.

The reputation our PIANO FORTES have acquired for being *superior to any made in the United States*, we are determined to maintain, using so many *new and important improvements*, giving great fullness and sweetness of tone, with clearness, and a remarkably full, brilliant, musical treble.

ACTION of the most perfect kind, with our own patent improvements, combining lightness of touch and elasticity, with great power. Our patent

CORRUGATED SOUNDING-BOARD

Has been pronounced the great improvement of the age in Piano Fortes and has proved itself deserving of the name: gaining greatly increased vibrating surface and fullness of tone, and never checking, splitting or warping out of place, even in the most changeable climates.

THE CASES are made for solidity and strength, combined with beauty of outline (*and to take up the least possible amount of room*), which, together with

SUSPENDED MASSIVE IRON FRAMES,

Make them very durable.

Our Pianos are Celebrated and Remarkable for keeping in Tune and Order for a Great Length of Time.

They have been awarded, at different State, Institute and other Fairs,

SEVENTEEN FIRST PREMIUMS, GOLD AND SILVER MEDALS, DIPLOMAS, ETC.

With a full determination to make or sell no Piano Fortes but such as will prove good,

Perfect Satisfaction to every Purchaser will be given, or Money and Expenses Refunded.

Persons, on application, will be furnished with illustrated Price Lists, Circulars, &c., containing every information.

PIANO FORTES, WITH OR WITHOUT THE DOLCE CAMPANA ATTACHMENT.

HERRICK'S SUGAR COATED PILLS AND KID STRENGTHENING PLASTERS.

Persons into whose hands this Almanac may chance to fall, if ill, should immediately procure and use HERRICK'S SUGAR COATED VEGETABLE PILLS. This remarkable remedy of the nineteenth century has now entered on its twentieth year of successful experience. Never has any medicine given such good satisfaction. Families who commenced their use in 1836 still use them, and in the many thousand instances where they have been prescribed have never been known to disappoint the just expectations of the sick.

Herrick's Sugar Coated Pills are a purely vegetable compound, nothing of a mineral nature has ever been allowed to enter into their composition, which renders them always safe, causing them to operate with all the ease of *castor oil*, and with all the power of *mercury*. The Doctor, in person, superintends their manufacture, and in all instances selects and tests the different ingredients before being *worked*, thus securing to the sick a truly valuable cathartic, vastly different from the mass of drastic, irritating pills, which everywhere inundate our drug stores, and in many instances left by traveling mountebanks at *private houses*. How CAREFUL should we all be of our health, and the means made use of when ill to recover the *same*. None should consent to use a remedy until the manufacturer of that remedy is *known*, and his character, standing and acquirements as a physician fully understood. DR. HERRICK, THE INVENTOR OF THESE PILLS, is a regularly educated physician; a man of years, experience and standing, a pupil and graduate of the University of Massachusetts, who has enjoyed years of successful practice, and is well calculated to adopt remedies for the successful cure of a multitude of diseases which afflict mankind. Pills, family boxes, 25 cents, 5 boxes, \$1.

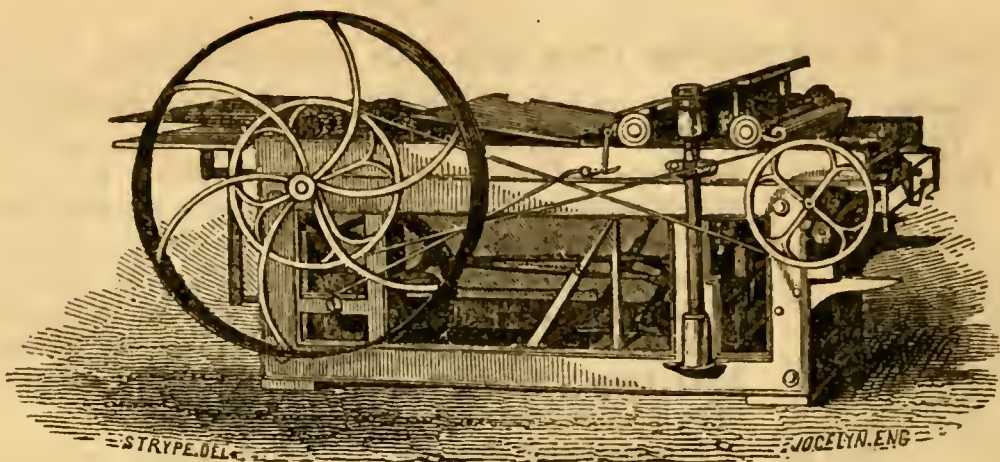

GOOD NEWS FOR THE SICK! HERRICK'S KID STRENGTHENING PLASTERS.

The great strengthener and pain destroyer. The best and cheapest household remedy in the world. Simple and pleasant in their application, certain and effectual in their results. A beautiful, scientific, external curative, applicable for the relief of pain at any time, in any place, in any part of the human system, and under all circumstances. If you put this plaster anywhere, if pain is there, the plaster will stick there until the pain is vanished. The plaster magnetizes the pain away, and PAIN CANNOT EXIST WHERE THIS PLASTER IS APPLIED. Rheumatism, Lameness, Stiffness, Weakness, Debility, Nervousness, Neuralgia, Dyspepsia, Coughs and Colds, Pains and Aches of every kind, down even to Corns, are immediately relieved, and with a little patience permanently cured, by the magic influence of this PLASTER. They are the simplest, surest, safest, pleasantest and the cheapest remedy in existence. Its application is universal, equally to the strong man, the delicate woman and the feeble infant. To each and all it will prove a balm and blessing. Its use is agreeable and without annoyance or trouble. Their price is within the reach of all, rich and poor; all may have them who are sick and suffering in any way. Price 18 $\frac{3}{4}$ cents.

Dr. HERRICK & BROTHER, Chemists, Albany, N. Y.

The above articles are sold by druggists and country merchants in every city, town and village in the civilized world.

THE ALBANY EVENING JOURNAL.

As a reliable medium of Political information, it is conceded to have few or no rivals. Located at the Capital of the Chief State in the Union, it possesses facilities for obtaining information not within the reach of other newspapers. Its Legislative Reports are the fullest and earliest that are published. It reports the Debates, Speeches and action of the Senate and Assembly, Appointments and Confirmations, Proceedings of the Canal Board, Decisions of the Court of Appeals, Supreme Court, Courts of Oyer and Terminer and Police, the Trials and Testimony of all important cases therein, and other matters occurring at the seat of government, in advance of other journals. It is the official STATE PAPER, and as such, the medium of publication of the Laws of the State and of Legal Notices. Its Telegraphic Reports from Washington, enable it to give the Congressional Proceedings on the same day that they occur. The proceedings of Conventions, Political or otherwise, Speeches, Addresses and Public Documents, all find place and comment in its columns.

COMMERCIAL DEPARTMENT.

Especial care is devoted to its Commercial Department. Its position at the point where the great stream of Western trade divides, to go to the two different markets—New York and Boston—enables it to give the earliest, most impartial and reliable reports of the daily changes in the Albany Market for Western Produce, Albany Wholesale Market of Country Produce, Albany Retail Domestic Market, Albany Lumber Market, Albany Cattle Market, New York Markets daily (*by telegraph*), New York Sales of Stocks, daily, and a Weekly Stock Table, New York Wholesale Price Current of Ashes, Candles, Coffee, Flour, Feathers, Fish, Grain, Hay, Hides, Hops, Iron, Leather, Lath, Molasses, Oils, Oilcake, Provisions, Sugar, Tin, Teas, Whiskey, Wool, New York Cattle Market, Boston Markets, Chicago, Cincinnati, Milwaukee, Detroit, Cleveland, Buffalo and Oswego Markets, Receipts by Canal, Bank Organizations and Suspensions, New Counterfeits, &c., &c., &c.

GENERAL NEWS DEPARTMENT.

Its General News Department is in experienced hands, and constant pains are taken to render it acceptable, both by giving all interesting or important intelligence, Foreign or Domestic, from the Mails and by Telegraph, and by carefully excluding anything which even a fastidious sense of propriety would deem unfit for the perusal of the young or of the Family Circle. The earliest, fullest and most reliable accounts of all important events transpiring in the State of New York, in New England, Canada and the Northwest, will usually be found in its columns.

LITERARY DEPARTMENT.

A peculiar feature of the Literary Department of the JOURNAL is an entire page devoted every Saturday night to selections carefully culled from the latest publications of best known authors, frequently in advance of their issue in book form, and from distinguished novelists, English, French and American; Biographical and Historical Narratives, Sketches of Travel and Character, Tales, Poetry and Humor, from the best authors, will also be found in this department of the paper.

LOCAL DEPARTMENT.

In the City News column will be found all matters of interest transpiring in Albany. The local news of the neighboring towns and counties. Troy, Cohoes, Saratoga, Hudson, Schenectady, Lansingburgh, Greenbush, &c., is also given regularly.

CIRCULATION.

The circulation of the JOURNAL is larger than that of any other paper in the City or in the State, outside the City of New York. It extends to every County in the State, and every State in the Union, but its principal field of circulation is along the line of the great thoroughfares of Western Trade. These facts commend it as a HIGHLY DESIRABLE MEDIUM FOR ADVERTISERS.
